Firm Foundation

Bryan Meyers, Senior Pastor

1. A firm foundation begins with the right PATH, not the POPULAR one. (v. 13–14)
2. A firm foundation is revealed by the FRUIT your life PRODUCES. (v. 15–20)
3. A firm foundation is built on a real RELATIONSHIP, not religious PERFORMANCE. (v. 21–23)
4. A firm foundation stands when you build your life on what Jesus SAYS, not what you FEEL. (v. 24–27)
5. A firm foundation trusts Jesus' WORDS because they carry the authority of the LIVING WORD. (v. 28–29)

The Mount

11.02.2025 through 12.14.2025

On a hillside in Galilee, Jesus delivered the most transformative message ever spoken. A sermon that redefined what it means to live, love, and lead in God's kingdom.

The Sermon on the Mount (Matthew 5–7) turns the world's values upside down, teaching us how to live right side up. Jesus unveils a new kind of humanity — one marked not by power or performance, but by purity, mercy, humility, and wholehearted devotion. This is the way of the kingdom. These are words that change the world.

Join us for this seven-week series as we walk through Jesus' most famous teaching. We'll explore the questions of:

- what it really means to live a "blessed" life,
- how to find peace in a world full of stress,
- how to conquer anger and anxiety, and
- how to bring restoration to broken relationships.

Follow along each week and discover how Christ's most influential sermon can reshape your life.
