Luke 5:17-26

Take your time, and write down what stands out to you.

DISCUSSION QUESTIONS

1. Who is one person in your life you genuinely want to meet Jesus? What has kept you from inviting or engaging them more intentionally?
2. In what ways have you experienced someone else “carrying you to Jesus” in your life? How did their faith impact your journey?
3. The friends in Luke 5 refused to give up when obstacles showed up. What are some real obstacles you face when trying to help someone take a step toward Jesus?
4. Which statement challenges you most right now and why?
 - Real faith carries people to Jesus
 - Bold faith finds a way to Jesus
 - Jesus responds to the faith of friends
5. Jesus addressed the man’s deeper need (forgiveness) before his physical need. Where do you tend to focus more on surface issues instead of deeper spiritual realities?
6. The paralyzed man couldn’t get to Jesus on his own. Who in your life might be spiritually “stuck” and needs someone to step in and help?
7. What is one practical step you can take this week to “carry someone to Jesus”? Be specific. Is it an invitation, a conversation, prayer, or simply showing up for them?
