SCRIPTURE

Genesis 1 | John 1

Take your time, and write down what stands out to you.

DISCUSSION QUESTIONS

1. Where in your life does the world feel most chaotic right now, and how are you trying to manage or control it?
2. Which of these do you tend to rely on most when life feels out of control: comfort, your own sense of right and wrong, or protecting your emotions?
3. How might those things be shaping or distorting the way you see God?
4. When you think about God, do you see Him as truly powerful over chaos, or do you quietly believe He is limited by your circumstances?
5. What does Genesis 1 reveal about who God is that challenges your current view of Him?
6. Is there an area of your life where you need to stop trying to manage the chaos and instead trust God to speak order into it?

Take Action: This past Sunday we invited people to declare their faith through baptism. How is your life showing that Jesus rules over the chaos? Each day this week, when you feel stress, anxiety, or things slipping out of control, pause and pray: "Jesus, You rule over this."
