

SUNDAY TO EVERYDAY

Rooted | Talking with God

From the service on 04.19.2026

Spend this week talking with God.

AWARE is a simple pattern for prayer that helps you talk with God throughout your day. It gives shape to your time with Him by helping you slow down, fix your attention on His presence, trust Him with your needs, and respond to His leading.

Take time this week to read the Scripture below and make prayer personal, steady, and rooted in building your relationship with God.

AWARE

A – Awe (Psalm 46:10)

Slowing down to recognize how great God is and letting your heart be still before Him.

W – Worship (Matthew 6:9–10)

Honoring God for who He is and surrendering your day to His will.

A – Ask (Matthew 6:11–13)

Trusting God to provide what you need and protect you as you walk through the day.

R – Remember (Acts 17:27–28)

Living with the awareness that God is always near, not distant.

E – Expect (Romans 8:14)

Looking for God to lead you and believing He is actively guiding your steps.
