## SCRIPTURE

Peter 2:1-12

*Take your time, and write down what stands out to you.*

## DISCUSSION QUESTIONS

1. Peter lists malice, deceit, hypocrisy, envy, and slander in verse 1. Which of these do you think causes the most damage to relationships and church community today? Why?
2. What do you regularly turn to for comfort, strength, or fulfillment when life gets difficult? How does that compare to Peter's call to "long for pure spiritual milk" (vv. 2-3)?
3. Peter describes Jesus as the cornerstone (vv. 4-8). What are some foundations people commonly build their lives on besides Christ? What happens when those foundations are tested?
4. Verses 9-10 describe believers as a chosen people, a royal priesthood, and God's own possession. Which part of that identity stands out to you most, and why?
5. How does understanding who you are in Christ change the way you approach everyday decisions, relationships, and challenges?
6. Peter calls Christians "sojourners and exiles" (vv. 11-12). In what ways should followers of Jesus look different from the surrounding culture while still loving and serving others well?
7. If someone observed your life for an entire week, what evidence would they see that points them toward Jesus? What is one area where you would like your witness to become more visible?
